

AIR TECHNOLOGIES

PROCESS TECHNOLOGIES

Donaldson
Torit

- Dust Collection
- Mist Collection
- Fume Collection
- Replacement Filters
- Industrial Fans
 - Centrifugal
 - Axial

- Emission Monitoring
- Blowers
- Silencers
- Explosion Protection
- Heavy Industrial Fans

INSTALLATION & REPAIR SERVICES

- Screening / Classifying
- Replacement Screens
- Pneumatic Conveying
- Flexible Screw Conveyors
- Size Reduction & Deagglomeration
- Bulk Container Discharging and Filling
- High Shear Mixing

- Ingredient Feeding
- Level Detection
- Belt Scales
- Rotary Airlocks
- Crushing and Grinding
- Replacement Screens
- Bulk Bag Filling & Discharging
- Product Reclaim and Recovery Systems

AIR TECHNOLOGIES

Donaldson Torit

- Dust collection
- Fume collection
- Mist collection
- Replacement filters

New York Blower

- Industrial fans
 - Centrifugal and axial
- Heavy Industrial Fans
- Silencers

Ametek Rotron

- Regenerative blowers
 - Low flow
 - High-pressure/vacuum

Auburn International

- Emission monitoring

IEP Technologies

- Explosion suppression, & isolation
- Explosion vents

Nilfisk

- Industrial vacuum systems
- Portable vacuum units
- Central vacuum systems

PROCESS TECHNOLOGIES

Coperion K-Tron: Feeding

- Gravimetric feeding
 - Loss-in-weight
 - Belt feeders
- Volumetric feeding
- Twin Screw Extruders - Food Applications

Coperion K-Tron: Pneumatic Conveying

- Pneumatic conveying equipment, systems and rotary airlocks

National Bulk Equipment (NBE)

- Bulk bag discharging and filling
- Flexible screw conveyors
- Bulk Container Discharging and Filling
- Bag Break Stations
- Product Reclaim and Recovery Systems

Quadro

- "Comil" particle size reduction/deagglomeration
- High shear liquid & powder mixing/emulsifying

Sweco

- Wet and dry screening
- Screeners, de-watering separators
- Centrifuges/waste water clean-up
- Rectangular screeners
- Replacement screens
- Hydrocyclones

Thermo Scientific Ramsey Bulk Products

- Belt scales
- Level detection
- Heavy-duty belt feeders

TerraSource Global

Pennsylvania Crusher - Gundlach - Jeffrey Rader

- Size reduction (Crushers, Mills)
- Vibratory Feeders
- Material handling

OUR PRINCIPALS
